

YOUR COSTS ARE....

**NOTHING
SHORT OF
HORRIFIC!**

after
RAM RAID,
BULK
THEFT
or WIND
DAMAGED
DOORS

HERE are some of these costs:

1. Actual cost of replacement of stolen or damaged goods;
2. Staff down time or additional people to clean up;
3. The loss of stock, plant, tools etc, at your cost price;
4. Loss of sales because of stock shortages, for cash and carry customers;
5. Cost of replacement of roller door, its' installation and other associated items;
6. Huge insurance increases and reduction of 'cover' which most of us can ill afford!
7. Accountants costs spent checking and rechecking records;
8. The hurts caused by the direct increase on many 'forgotten' overheads;
9. Loss of actual profit you would have made on the stolen items.

LOCKinPOST* PREVENTS SUCH LOSS!

As recommended by most leading insurance companies and groups since 1995
