Unique features of the **NEW** CPD:

1. **C**oncealed **H**inge **P**in cannot be seen externally;
2. **C**PD **P**adlocks cannot be cut with bolt cutter;
3. 5th additional securing point is hidden within the **C**PD;
4. Unique 88mm 'down profile' which permits easy access by grass cutting and other low profile vehicles;
5. Looks and feels secure in the vertical unlocked position;
6. No key required to 're-lock' in the vertical position;
7. Ideal for protecting Parking Space for cars;
8. With an 'up profile' of around 100cm, it can easily be seen even out the back of a car's rear window;
9. Should **C**PD be damaged, its design permits easy **DIY** replacement (main) parts, which are normally available from the manufacturer.
